**Helping to Build a Vibrant Community and
Neighborhoods by Reversing the Trends of Blight and
Poverty through Partnership**

2023 Annual Action Plan

Prepared for the U.S. Department of Housing and Urban Development
Approved by City Council: May 8, 2023

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

In accordance with federal regulations of the U.S. Department of Housing and Urban Development, the City of Elmira must prepare an Annual Action Plan for the proposed use of Community Development Block Grant (CDBG) and HOME Investment Partnership funds. The City submitted a Five Year Consolidated Plan in 2020 and this Annual Action Plan represents Year 4 covering the time period beginning July 1, 2023 and ending June 30, 2024. The City of Elmira must ensure that activities or projects funded with CDBG funds meet one of the three statutory objectives: 1. Benefit low/moderate income residents/areas; 2. Prevent or eliminate slum and blight either on an area or spot basis; and 3. Meet an urgent need (for example, in the case of a natural disaster). The HOME Partnerships program is meant to fund a wide range of activities including building, buying, and/or rehabilitating affordable housing for rent or homeownership or providing direct rental assistance to low-income people. As the Plan's cover page states, Elmira is focused on utilizing CDBG and HOME funds to help build a vibrant community and neighborhoods by reversing the trends of blight and poverty.

The City has identified numerous community development needs and have identified five key objectives that it hopes to accomplish during the next year. The City will be receiving **\$1,129,816.00** in CDBG entitlement funding and **\$251,946.00** in HOME funding for Program Year 2023.

This plan also anticipates utilizing program income earned and unexpended prior year CDBG funding in the amount of **\$50,000**, and leveraging additional state, federal, and local funding to address the needs of the community. The City and local partners continue to be diligent in seeking additional funding for the community.

In 2021, \$1 Million in funding was awarded to the City of Elmira from the NYS Attorney General's Office to development new programming to address causes of displacement through the Anti-Displacement Learning Network. Community Development created a rental rehab program with these funds and funded two case managers at the local community action agency, EOP. The case managers provided services and programs to the homeless and at-risk for homelessness in Elmira. The City of Elmira also participated in the Cities RISE program in 2020 and was awarded \$1 Million to create safer housing and equitable code enforcement practices. These funds are now supporting program including a rental rehab program, inspections of properties by City Code Enforcement, and staffing of trained case managers who will support residents at risk for homelessness and eviction.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

1. Quality Affordable Housing: Create quality rental and owner-occupied housing with improved/new availability that fits within and enhances Elmira's existing neighborhoods and builds off of existing community assets including access to vital community services (grocery stores, neighborhood parks, community centers, and public transportation). Code Enforcement and Department of Social Services data shows that there are limited number of quality affordable housing units within the City, which exacerbates the issue. Based upon dated provided through the Code Enforcement office's BuildingBlocks system, 3,809 (40%) properties have outstanding code violations (9,579 total property count). The City of Elmira plans on improving **20 units** of owner-occupied housing and **13 units** rental housing. An estimated **13 households** are anticipated to be assisted through the First-Time Homebuyer Program. The City will also work with the Chemung County Land Bank and has set aside funding to assist with redeveloping vacant or foreclosed properties for homeownership.

2. Strengthening Elmira's Neighborhoods: Enhancing a suitable living environment and neighborhoods through support of public services particularly those geared towards youth in low-income neighborhoods; elimination of spot slum/blight through demolition of deteriorated properties; public improvements to streets and sidewalks, and streetscape enhancements; and improvements to park facilities that serve low/moderate income residents are key objectives. Measurement of individuals served or impacted through public services or public improvements will be tracked for activities undertaken. The Elmira Low/Moderate Income Area Map shows where 51% or greater of the residents are considered low/moderate income-based data obtained from the U.S Census.

3. Alleviate and Prevent Homelessness: A national as well as a local priority is alleviating and preventing homelessness. City of Elmira provides CDBG funding to Catholic Charities of Chemung/Schuyler for homeless services as does the Chemung County Department of Human Services. Additionally, since the pandemic, Chemung County has seen a 20-30% increase in the number of individuals and families seeking homeless assistance. So, assisting the homeless remains a major priority for the City of Elmira. It is anticipated that **400 individuals** will be provided community access to emergency housing and **100** to homelessness prevention and case management services.

4. Revitalization of the Downtown Core: Focus on revitalizing Elmira's downtown core through the redevelopment of vacant properties including sustainable infill development is an objective. This includes continued support of facade and building renovation programs, in particular those that leverage New York Main Street funding and the efforts of the New York State Downtown Revitalization Initiative. Streetscape enhancements and public improvements within the downtown are also a vital component.

5. Business Development: The Department of Community Development works with Southern Tier Economic Growth and private businesses to help new businesses; especially small business entrepreneurs and existing businesses expand. The overall goal is to create sustainable jobs for lower income, unemployed, or under-employed persons and a more robust and sustainable economy for the City of Elmira. A CDBG funded Commercial Loan Program is managed by STEG. Job creation and growth continues to be a need within the City.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Annually, the City of Elmira submits to HUD what is known as a Consolidated Annual Performance and Evaluation Report (CAPER) which evaluates the City's performance related to the projects that were funded with CDBG and HOME funds. The CAPER is used to evaluate impact and overall program success.

The City and its nonprofit partners focus on efforts to improve the quality of life for low-moderate income residents by providing opportunities that would otherwise not be available without these federal resources. The First-Time Homebuyers program has assisted 463 families achieve homeownership since 1994, which is a significant accomplishment and highlights the need for this program. The City has also seen success with the public services program and continues to provide funding the goal of providing enrichment opportunities and advocacy to youth (focused on at-risk youth) & families which are located in low-moderate income neighborhoods. In 2022, 110 homeowners received one-on-one mortgage foreclosure prevention and loss mitigation counseling. Last year, 609 individuals were provided overnight shelter through Second Place East (annually); Homelessness was prevented for 10,327 individuals through case management & access to services.

In the year 2020, a new Lead Paint Hazard Reduction program was established within the City of Elmira, and rental properties are now eligible for this program. The program was refunded by the HUD Office of Lead Hazard Control and Healthy Homes (OLHCHH) in 2023. The community continues to identify housing rehabilitation and renovations as a need within the neighborhoods. Funds to support first-time homebuyers and rehab of owner-occupied properties have been utilized by many within the City and continues to be a need.

An evaluation of past performance has led the City to continue to choose the goal of leveraging New York State Low Income Housing Tax Credits (LIHTC) with HOME funds in order to promote the development and rehabilitation of quality and sustainable rental units. The scattered site model promotes neighborhood revitalization and has help create new projects including Libertad Elmira (Vecino Group), LaFrance Apartments (Providence Housing), Maple Avenue Elmira (CDS Housing), and Chemung Crossings (Housing Visions), Gerard Block Apartments (Arbor Housing and Development) in past few years. Additionally, Arbor Housing and Development is in the process of developing a new multi-unit historic residential rehabilitation, Reynolds Way, in downtown Elmira, which will create 42

units of affordable housing. It is the goal of the City to continue to leverage existing planning efforts and investing in a scattered site project sponsored by developers with a strong track record of utilizing LIHTC.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The Department of Community Development engages citizens and other public and non-profit agencies in consultation efforts throughout the program year and those efforts are incorporated into the City's Annual Action Plan. A public hearing was advertised and held on March 27, 2023 to receive comments in preparation of the plan; although, no comments were received. Community development has been at the heart of this planning effort and informs this Annual Action Plan. Significant public engagement efforts were also undertaken between as part of the Cities RISE program Downtown Revitalization Initiative, and Empire State Poverty Reduction Initiative. Community Development staff continues to make themselves accessible to members of City Council at neighborhood and City Council meetings. Additionally, through a grant from the Attorney General's office called Cities RISE, the Department of Community Development has worked closely with the Department of Code Enforcement on hosting community outreach and engagement meetings and focus groups on safe housing standards.

Community Development continues to engage a Citizen Advisory Committee to provide input on priorities. During the development of the Annual Action Plan, the Committee met on April 12, 2023. Input was sought from the Citizen Advisory Group regarding funding priorities, and they were consulted concerning potential economic development projects and the AG's Anti-Displacement grant program. The Committee was supportive of continued funding public services, investment in the City's streets and downtown Core, and continued investment in affordable housing including the first-time homebuyer program and housing rehabilitation program. The Department also updated the committee on increased partnership with Code Enforcement and status of grants and project managed by the Department.

A 30-day public comment period from April 4, 2023- May 4, 2023 was observed to allow for comment on the draft plan. Notice was published on the City of Elmira's website and in the Star-Gazette.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The Department of Community Development engages citizens and other public and non-profit agencies in consultation efforts throughout the program year and those efforts are incorporated into the City's Annual Action Plan. A public hearing was advertised and held March 27, 2023 to receive comments in preparation of the plan, although no comments were received. Community input has been at the heart of this planning effort and informs this Annual Action Plan. Community Development staff continues to make themselves accessible to members of City Council at neighborhood and City Council meetings. A public comment period was advertised and observed from April 4 - May 4, 2023. Citizens were invited to submit written comments on the draft 2023 Annual Action Plan.

Community Development continues to engage a Citizen Advisory Committee to provide input on priorities. During the development of the Annual Action Plan, the Committee met on April 12, 2023. Input was sought from the Citizen Advisory Group regarding funding priorities as well as they were consulted concerning past performance and current projects. The Committee provided positive input on funding applications.

All comments received were from social media posts and the community advisory committee. Youth programs, after-school public services were deemed very important by the community advisory committee. Overall, the community is concerned about increased homeless in the downtown core and how the City can continue supporting homeless prevention services and programs. Additionally, home-repair programs and first-time homebuyers are also seen as much needed to help address the rising costs of housing.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments were accepted. A 30-day public comment period was observed on from April 4- May 4, 2023. The public comment period was advertised in the Star Gazette, non-profit agencies were sent correspondence, and it was also posted on the City of Elmira's website. All the public comments received were those obtained through the Citizen Advisory Committee and social media posts.

7. Summary

The City of Elmira continues to face issues related to an aging housing stock. Many social service providers can have difficulty finding quality housing for those they serve. Low-income neighborhoods are struggling with issues of blight, code violations, and vacant properties. The Covid-19 Pandemic has increased economic constraints on non-profit service providers. These organizations continue to see significant need for services particularly as it relates to emergency housing and youth services.

Elmira was a recipient of American Rescue Plan Act funds, which are helping address some of the impacts of Covid-19 as well as supporting infrastructure needs including roads and sidewalks that are aged and in poor condition. The City has seen increases in investment through the Downtown Revitalization Initiative; however, economic growth and vacant and abandoned commercial properties still remain in the downtown. Increased coordination, collaboration, and the leveraging of resources (human and financial) continues to be critical. This Annual Action Plan does not attempt to address all of the needs identified but rather it attempts to prioritize needs and invest in programs and projects that will have a significant impact on low to moderate income residents and the community as a whole.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

Development of the City of Elmira 2023-2024 Annual Action utilized community outreach and direct consultation. Community Development staff are active participants in local planning initiatives, committees, and task forces that create a link between the City of Elmira and these entities. The department staff are active with the Housing Coalition, Chemung County Homeless Housing Task Force, Continuum of Care, Poverty Coalition, Elmira Downtown Development, Downtown Revitalization Initiative Local Planning Committee, and Empire State Poverty Reduction Initiative Task Force are all opportunities to learn what is occurring in the community. While it is difficult to consult with every organization within the community, significant strides were made to be as inclusive as possible and obtain input from a cross section of the community. Community Development was able to participate in coalition and agency meetings. A significant focus of consultation efforts included social service agencies that serve low-income individuals and families with housing and other basic needs

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

The City of Elmira Department of Community Development participates in various coalition meetings to consult with agencies and organizations about the Consolidated Plan and the Annual Action Plan. Community Development staff presented to the Chemung County Housing Coalition and Catholic Charities Program Advisory Committee. Staff have close working relationships with the Chemung County Health Department through shared services and programs. Other organizations represented in the outreach included the following: Economic Opportunity Program, Catholic Charities of Chemung, Habitat for Humanity, Near Westside Neighborhood Association, Cornell Cooperative Extension, Arnot Health, Chemung ARC, Elmira Downtown Development, and the Elmira-Chemung Transportation Council. Some of the Chemung County departments consulted included: Department of Human Services (including the Commissioner and the Children and Family Services Division, Health), Planning Department, Office for the Aging and Long-Term Care, and the Youth Bureau, Comprehensive Interdisciplinary Developmental Services (C.I.D.S), Chemung County Health Department, Elmira City Youth Court.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Director of Community Development serves on the Continuum of Care Board and participates in monthly board meetings. The Regional 501 Continuum of Care (CoC) and Catholic Charities of Chemung/Schuyler as a CoC grantee have convened a Chemung County Homeless Housing Task Force and meetings have been utilized to plan the annual Point in Time count and discussions centering

around the importance of a Chemung Coordinated Entry process to address the needs of homeless persons and persons at risk of homelessness. The City of Elmira's Department of Community Development serves on this task force. The Elmira Police Department and Department of Community Development also assist in the annual Point in Time count.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Elmira does not receive ESG funding from HUD. However, the Director of Community Development has held a seat on the Continuum of Care as a Board representative since 2014. The City's Department of Community Development also consults with Catholic Charities of Chemung Schuyler as the administrator of the HMIS for the NY-501 CoC as data is obtained to report to HUD.

1. Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

Throughout the program year, the City of Elmira makes efforts to involve residents in goal-setting. For the development of the 2023-2024 Annual Action Plan, a public hearing was held on March 27, 2023; although no written or oral comments were received.

Community Development staff continued to engage a Citizen Advisory Committee and held a meeting with the Citizen Advisory Committee on April 12th, 2023 to receive input. The meetings were attended by five out of nine members of the Committee which represent a cross section of the community from each of the six City Council districts and includes a recent a pastor, educator, retirees, and a paralegal. The Advisory Committee discussed the proposed projects despite the fact that entitlement awards had not been announced but provided input as to funding priorities in the event of increased or decreased funding. Some priorities discussed included the need to revitalize neighborhoods, provide assistance for domestic violence victims and others who are impacted by crime rates in the city, how to provide housing opportunities for the homeless population, which is increasing in the City, and the need for youth services and after school programs.

The City of Elmira published in the Elmira Star Gazette and on the City's website the availability of the draft plan for public comment between April 4-May4, 2023. A copy was also made available at the Steele Memorial Library. No public comments were received on the draft plan.

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The City of Elmira will begin the 2023 Program Year and the Year Four of the Consolidated Plan with a continued focus on past successes around a few key priorities program areas. The focus includes downtown revitalization, affordable housing and homeownership support, and neighborhood revitalization/quality of life programs.

The City of Elmira will be receiving \$1,129,816 in 2023 entitlement funds for CDBG and \$251,946 in HOME Investment Partnership funding. This plan also anticipates utilizing program income earned, unexpended prior year CDBG funding, and leveraging additional state, federal, and local funding to address the needs of the community. There is additional funding for the City of Elmira through state initiatives related to the Upstate Revitalization Initiative for the Southern Tier, Downtown Revitalization Initiative, and NYS Attorney General's Office. Funding is also sought periodically through New York State through the Consolidated Funding Application (CFA). In December 2019, the City of Elmira launched its new Lead Hazard Reduction Program funding by a \$1.3 Million dollar HUD office of Lead Hazard Control and Healthy Homes to address elevated lead blood levels amount children under age 6. This program has complemented the initiatives of the Department including supporting health, wellness, youth, and housing quality standards. The program was refunded in January 2023, with an additional \$1,050,000 in funds.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City of Elmira leverages private, state and local funds with CDBG and HOME allocation in order to expand and grow the work and impact of the programs.

Currently, Federal HOME funds are expected to leverage private investment through conventional mortgages provided to individuals who

participate in the City of Elmira- Catholic Charities First-Time Homebuyer Program. There is no match requirement for HOME because the City of Elmira is a distressed community.

Additionally, CDBG funds are anticipated to leverage private, state, and local funds. The City receives funding for street reconstructions, milling, and paving from the NYS Consolidated Local Streets and Highway Improvement Program (CHIPS). Local foundations have previously been a source of match for park improvements in low-moderate income areas and the City will continue to seek this source of funding including funding from the New York State Office of Parks, Recreation and Historic Preservation. Since 2008, the City of Elmira was awarded \$2,800,000 in Restore NY funding that will serve mixed use projects within the downtown but they don't directly associate with a listed CDBG project although will assist with business development and additional residential housing within the downtown. The Chemung County Property Development Corporation (Land Bank) also received funding through the NYS Attorney General's Office in the amount of \$893,100 that is able to be partially used for demolitions and rehabilitations that could serve affordable housing goals. These programs will continue through the 2023-2024 program year. In 2020, Elmira also received \$1 Million dollars through the NYS Attorney General's Office for the implementation of new code enforcement programs and an additional \$1 Million for the Anti-Displacement Learning Network to address causes of homelessness. The program is helping to support a rental rehab of severely deteriorated rental properties within the City of Elmira.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Currently, the only publicly owned land or property located within the City of Elmira that may be used to address the needs identified in the plan are properties obtained by the County of Chemung through the tax foreclosure process. The properties from the auction could be provided to the newly formed Chemung County Property Development Corporation (Land Bank) or organizations such as Near Westside Neighborhood Association, as the City's CHDO, and/or Chemung County Habitat for Humanity to meet affordable housing needs. The Chemung County Land Bank received funding from the NYS Attorney General's Office and New York State Homes and Community Renewal, which is being used to help support affordable housing goals.

Discussion

As mentioned in the introduction, the City of Elmira is looking forward to being able to leverage existing CDBG and HOME funding with potentially new initiatives through New York State under Empire State Development's RESTORE NY, HOMES and Community Renewal funds, and federal American Rescue Plan funds.

Additionally, the City is a HUD OLHCHH grantee as of Dec 2019 and was awarded additional funding 2022 through a competitive notice of funding application. The program utilizes CDBG funds as matching funds for lead paint project with individuals under the 80% AMI range. The majority of lead paint program participants are in the 30-50% AMI range. The program helps rehab properties with lead paint and criteria where a child under the age of 6 lives or visits and where the house was built prior to 1978. By end of summer 2023, the first three years of the grant will be completed, and a total of 46 units of affordable housing will have been made lead safe within the City of Elmira.

The City of Elmira will be receiving \$28 Million Dollars through the American Rescue Plan Act. These funds will be used to support large infrastructure projects, lost revenues, investment in broadband, and support for business and tourism related projects.

Due to Elmira's location within the Southern Tier region. Elmira has received funding awarded under the \$500 million URI for support of a new medical school, LECOM. The City has also been awarded \$1,000,000 under the Empire State Poverty Reduction Initiative. The City has also received \$1,000,000 in RESTORE NY grants from Empire State Development for market rate and affordable housing projects on Baldwin Street and Lake Street, in the heart of downtown Elmira. These additional sources with private investment could make a significant impact on the City's housing and economic development plans and will be reported in future Annual Action Plans and Consolidated Annual Performance Reports (CAPERS).

Additionally, the City of Elmira has received \$2 Million dollars from the New York State Attorney Generals Office over the past few years for the Cities RISE and Anti-Displacement Learning Network. Through these programs the City will support more effective and efficient code enforcement policies

including new inspections of 1 and 2 family rental units, which prior to the grant award were not inspected for code compliance. As well as funding for a rental rehab program for properties with severe code violations which are at risk for to be condemned by the department of code enforcement. The overall goal is to improve city neighborhoods and rental properties within the City.

Projects

AP-35 Projects – 91.220(d)

Introduction

Federal CDBG and HOME funds are utilized by the City of Elmira to carry out a wide variety of activities that are consistent with Consolidated Plan priorities and eligible under the individual programs. The City of Elmira intends on programming **\$1,160,828.00** in CDBG entitlement funds and **\$50,000.00** in program income and **\$285,351.00** in HOME funding. Public service projects are selected after soliciting proposals from local non-profit agencies and Community Development staff along with a Citizen Advisory Committee review them and make recommendations to City Council. Youth services, housing counseling, and services for the homeless have been determined to be high priority public service needs. This year, projects were also looked at for how they complement CARES ACT and programs for COVID-19. The City also incorporates the use of CDBG funds in its annual Capital Budget for public improvements in eligible low-moderate income areas, for example street improvements and ADA sidewalk transitions, and parks. The projects included in the City's 2023-2024 Annual Action Plan have been determined to meet all program requirements, reflect the community's priorities, and leveraging significant additional funding.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City of Elmira continues to allocate CDBG funds to increase and support quality affordable housing. This includes the housing rehabilitation program, which generates program income, and creates quality affordable housing on the neighborhood level. Also, the program often helps the elderly to age in place and remain in their own homes for longer. Another consideration with allocation priorities is based upon whether CDBG or HOME funds are leveraging other funding sources, and those activities that leverage additional funds are given a high priority. Programs with leveraged funds are viewed as more sustainable. Programs that serve youth continue to be a high priority especially in lieu of the fact that these youth programs often serve youth that are at-risk. Housing programs, including the First-Time Homebuyer Program, Housing Counseling, and Homelessness Prevention (Second Place East) continues to be a high priority since they impact a significant number of residents and advances the local and national housing objectives. Citizen input also helps guide these allocation priorities.

A continued and significant obstacle to addressing underserved needs is the lack of trained staff and the low numbers of nonprofits, community-based organizations, and service providers partner organizations in the region. The City struggles to find certified CHDOs to spend HOME funds and there are only a limited number of nonprofits who can manage federal funds. This issue has been exasperated by the pandemic where service providers are severely burdened and lack the ability to create and develop new programs and services. Similarly, the community lacks trained contractors who can take on the rehab work which can delay development projects.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Census tracts with the highest low-moderate income population by percentage include census tracts 1 (75.94%), 2 (56.63%), 6 (72.42%), 7 (77.81%), and 10 (62.54%). Census tract 7 includes the City's downtown and Central Business District (including the Business Improvement District) which is where the majority of economic development assistance is targeted. Census tracts 7, 6, 2, and 1 are also census tracts with the highest percentage of minorities residing in them. Community Development during the upcoming year will continue to outreach to residents within these tracts to ensure residents are aware of the programs that exist.

Geographic Distribution

Target Area	Percentage of Funds
BROWNFIELD OPPORTUNITY AREA	5
BUSINESS IMPROVEMENT DISTRICT	5
NEW YORK MAIN STREET TARGET AREA	10

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The City of Elmira has limited funding and chooses to leverage geographically to increase the impact on the neighborhoods most in need. This includes focuses on highly disressed census tracts. Also, other planning efforts, including the Southside Rising Revitalization Strategy and Comprehensive Master Plan, citizen participation, and investment of other resources (state and federal) are the basis for allocating investments geographically within the City. The City will also be looking to leverage opportunities to expand where geographic neighborhoods can be stabilized through either private/state investment.

Discussion

In 2023, projects around downtown revitalization and development will continue with the facade program and ongoing efforts of prior year funding from New York State. Many project and programs were delayed because of Covid-19, so the City anticipates an increase in activities in the 2023-2024 program year as the community continues to recover from the pandemic.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

Introduction

The City of Elmira is anticipating rehabilitating existing homeowner units with the use of CDBG and HOME Owner-Occupied Rehab Program as well as providing at least 15% of HOME funds for a Near Westside Neighborhood Association CHDO project toward acquisition and rehab. A total of 13 new homebuyers are expected to be assisted through the acquisition of existing units. The Near Westside Neighborhood Association and recently Habitat for Humanity receives funding through the New York State Affordable Housing Corporation (AHC) for homeowner and homebuyer rehab which assists in improving the housing stock.

The City of Elmira’s Department of Community Development will continue to administer a Housing Rehabilitation Program which is targeted to very low/low/moderate income homeowners and involves the rehabilitation of existing owner-occupied units. Other agencies within the City of Elmira including Habitat for Humanity and Near Westside Neighborhood Association have also been successful in getting grant funds through New York State Affordable Housing Corporation, and the City will continue to partner with them on larger property rehabs. Another successful program continues to be the City of Elmira's partnership with the Catholic Charities First-Time Homebuyer Program which provides pre- and post-purchase counseling and \$10,000 in down-payment and closing cost assistance. During the 2023 Program Year, the Near Westside Neighborhood Association, as the City’s CHDO will begin rehabilitating a single-family home for an eligible first-time homebuyer.

Discussion

The one year goals for the number of households to be supported are based on individuals assisted through the City of Elmira's CDBG and HOME funding Owner-Occupied Rehabilitation Program and direct financial assistance provided through the First-Time Homebuyer Program for the acquisition of existing units. HOME funding has also been set-aside for Scattered Site Neighborhood Revitalization in an effort to work with either the Chemung County Land Bank to provide affordable housing development and neighborhood revitalization goals.

AP-60 Public Housing – 91.220(h)

Introduction

The Elmira Housing Authority does not request CDBG or HOME funds to address the needs of public housing although consults with the City of Elmira several times a year. The City reviews the Elmira Housing Authority's Environmental Reviews and ensures that plans are consistent with the Consolidated Plan.

Actions planned during the next year to address the needs to public housing

The City of Elmira will continue to review the Elmira Housing Authority's Annual Agency Plans for consistency with the Consolidated Plan and will continue to maintain a relationship with the Elmira Housing Authority shall needs arise in the future. The Elmira Housing Authority and the City of Elmira have an agreement for additional police services which continues to be renewed annually.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Elections were held in 2022 for the resident commissioners in order to encourage residents to become more involved in management of the Elmira Housing Authority. Their input is used for the Agency Plan. The Elmira Housing Authority puts out a 45-day notice that the plan is available for review and a Public Hearing is held. The City of Elmira and Catholic Charities of Chemung/Schuyler have a First-Time Homebuyer Program which is promoting to public housing residents, in particular to those residing at Hoffman Plaza which is geared towards families.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Elmira Housing Authority is not designated as troubled.

Discussion

The City of Elmira will continue to consult with the Elmira Housing Authority to identify ways that the two can collaborate to address affordable housing goals.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

In the upcoming program Year, the City of Elmira plans on allocating **\$55,000** in CDBG funds towards meeting the needs of homeless and other special needs in the community. As the primary provider of emergency services for homeless individuals and families in the City of Elmira, Catholic Charities of Chemung and Schuyler Counties operates an emergency shelter services and an emergency service center (Samaritan Center) which provides temporary emergency shelter for homeless individuals and families. Case management services are a critical part of their program to provide access to long term shelter and prevent chronic homelessness. Catholic Charities provides a holistic approach to services leading to long-term housing stability and self-sufficiency since 2003, and receives funding from HUD through the Continuum of Care process and New York State to meet the needs of the homeless. Additionally, the Salvation Army's Pathway's to HOPE and Special Needs Housing Services (SAFE House) provides housing residential housing and access to a 24-hour Domestic Violence Hotline. The Salvation Army also provides rapid rehousing services to individuals and families fleeing domestic abuse. Other agencies/services available to serve residents in the City of Elmira include Glove House which provides housing (group homes) to adolescents between the ages of 10-18 in need of more supervision and structure that their families are unable to provide. Saving Grace Ministries of Elmira, Inc. has been operating a transitional residence for men recently released from a correctional facility. Their target population is homeless adult males currently subject to New York State Department of Corrections and Community Supervision oversight and release mandates, who are mandated by law to return to the community where they were residing at the time of conviction.

Additionally, in the program year, the City of Elmira will receive funds through the NYS Attorney General's Office and the Anti-Displacement Learning Network. Through this program, the City will increase public services programs by funding a case manager position to help the homeless and individuals at risk for evictions, funds will also help with emergency relocation needs, and funds for rental rehab work on properties for low-income residents. These activities will help support the homeless and reduce the causes of housing displacement.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The City of Elmira will continue to support Catholic Charities Shelter Services and Homeless Prevention Program and the Salvation Army's SAFE House with CDBG Funds. Their one- year goals for reducing and ending homelessness includes:

1. Goal: Community access to emergency housing and case management services to identify and secure safe and affordable housing. Outcome: 400 clients will be provided emergency housing through Catholic Charities. 25 clients fleeing domestic violence and abuse will receive housing and services through the Salvation Army's SAFE house/Pathways of Hope.

2. Goal: Prevent displacement of individuals/families from their homes in the community. Outcome: 5,000 clients will be provided homelessness prevention case management services. Catholic Charities will assist individuals/families that are homeless by meeting their immediate needs of shelter and food. Individuals and families will create a strategy to help locate permanent housing and set personal goals with the help of their housing advocate. As individuals and families request assistance with homeless prevention services, a complete initial assessment of need will be completed to ensure immediate prevention needs are taken care of to prevent homelessness and they will be assigned a case manager to work with them to increase housing stability. Through assessments, case managers will identify individuals/families without adequate resources to meet the criteria for mainstream benefits included but not limited to: public assistance, SNAP benefits, WIC, SSI/SSDI, Medicaid/Medicare, health insurance, and HEAP. Additionally, case managers will identify unemployed/underemployed clients and make connections to employment opportunities through various resources in the community. The Elmira Police Department and Department of Social Services are two key partners in reaching out to homeless individuals and connecting them with appropriate services.

Addressing the emergency shelter and transitional housing needs of homeless persons

Homeless persons often face many barriers throughout their goal of self-sufficiency. Case management services assists individuals and families develop a budget as well as help provide financial assistance to resolve rent/utilities back payments. For those with a criminal background, case managers work with private landlords to provide stable housing. Case managers also help advocate for clients and negotiate with landlords and/or property managers and utility companies as well as assist with locating, attaining and maintaining safe and affordable housing. Catholic Charities addresses the needs of adolescents transitioning from foster care to independent living through its Lasting Success Program. The Gateways Community Living programs provide community living to individuals and families at risk of suffering from mental illness, substance abuse, HIV/AIDS, and homelessness – many of whom are being released from inpatient treatment. The Salvation Army provides a shelter for individuals/families suffering from domestic violence. The Economic Opportunity Program also has case managers on staff who provide support to the homeless and help them find permanent house.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals

and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The target population for Catholic Charities services is individuals and families who are either at risk of becoming homeless or who have been identified as in need of immediate shelter. Rapid Re-Housing case managers assist homeless individuals and families to move into stable housing. Case managers assist homeless individuals and families move into stable housing. Program components involve identifying a possible housing location, provision of rental and certain forms of financial assistance, and support services with a focus on stable employment and permanent housing.

Catholic Charities has a Lasting Success program that is a supervised independent living program that provides intensive person-centered case management, life skills instruction, subsidized employment opportunities and progressive levels of housing options to youth between the ages of 16-21 transition from foster care to independent living with a goal of preventing homelessness and leading to lasting success.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Catholic Charities' Prevention funds assist individuals and/or families that have a demonstrated housing crisis and face imminent risk of losing their permanent housing. With a focus on preventing displacement of individuals and families, case management is an integral part of the Second Place East program leading to a decrease in the need for emergency services and an increase in cost savings. When individuals and families are able to maintain stable housing, there is a decrease in moving costs, emergency services (shelter stays), additional security deposits, and the potential for employment and school interruptions. Many program participants seeking assistance from Catholic Charities' Homeless Services have mental health and substance abuse issues, exacerbating an already difficult housing market. Additionally, the amount of residents who were recently discharged from an institution, hospital, psychiatric facility, Drug/Alcohol treatment, jail or prison with no residence prior to incarceration is increasing. Catholic Charities' overall mission is to provide direct assistance, education, training and advocacy for those who are most vulnerable in our communities. These vulnerabilities include poverty, physical disabilities, homelessness, lack of adequate housing, addictions, hunger, and mental health concerns among other factors.

Low-income individuals and families are able to avoid becoming homeless by being served by Catholic Charities at one location, the Samaritan Center located at 380 South Main Street and meeting with a Case Manager to complete an assessment of their needs, whatever they might be. The Samaritan Center

provides short-term emergency services and supports to those in need including food, clothing, prescription medications, assistance with food stamps enrollment, health insurance, and Home Energy Assistance Program (HEAP) applications. The Samaritan Center also has an additional part-time person who has been hired through the Chemung County Department of Social Services under the Empire State Poverty Reduction Initiative as a Community Navigator.

Additionally, the City has recently started working collaboratively with the Economic Opportunity Program, Inc to fund two case manager who provide supportive services to assist the homeless find permanent housing. Many homeless continue to struggle to find permanent housing and the case managers are working closely with individuals and families to help them find and remain in permanent housing. The funding for these case managers is coming from the New York State Attorney General's Office.

Discussion

Unfortunately, as the Covid-19 pandemic winds down the City of Elmira is seeing an uptick in the number of homeless persons requiring and receiving services. Through assistance is being provided by multiple nonprofits including the Economic Opportunity Program, Catholic Charities, and Salvation Army, these service providers are struggling with the ability to find trained staff persons to fill open positions. Catholic Charities choose to shut down the homeless shelter Second Place East, located at 605 College Avenue in Elmira N.Y., and instead will utilize hotel rooms to serve the rising homeless population, which is fluctuating between 100 and 150 persons per night across Chemung County. Currently, Catholic Charities will be focusing on the following moving forwards as it continues to provide homeless services.

1. Provide a permanent dorm-style shelter approved by NYS Office for Temporary Disabilities Assistance (OTDA).
2. Provide a day-center where those experiencing homelessness can go for services, laundry facility and shower access.
3. Provide a warming station in the winter (Code Blue).
4. Explore options for an adjacent space for a crisis respite (or other appropriate service) for those who are experiencing serious mental health issues.
5. Explore options for an adjacent space for substance abuse counseling.
6. Provide security by the Elmira Police Department and/or contracted security services.
7. Provide intake at the Elmira Police Department during the hours of 4pm to 8am, along with motel placement; hotel/motel placement during business hours will be the responsibility of Chemung County personnel.

AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The City of Elmira, compared to New York State as a whole, is an affordable place to live based on the median value of properties. However, as many small cities have seen during the Covid-19 pandemic, people from urban areas area choosing to move into the City for lower cost housing, subsequently, creating high prices. Also, inflation is impacting housing costs in Elmira creating much higher prices for rental and home sales values. Additionally, based on the poverty statistics for low-median household income households, a significant number of Elmira residents have a high cost burden and housing is not affordable to the very low- and low-income segments of the population. The current tax rate of the City and cost of utilities especially for large, old homes also is a barrier to affordable housing to results in a high cost burden or problems becoming delinquent in taxes. Additionally, the age and condition of the housing stock and a disinvestment by largely out of town landlords also negatively impacts the quality of the affordable housing that exists within the community and serves as a significant barrier. These barriers will continue to be addressed with federal and state community development funding and increased coordination with housing and social service agencies.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

1. The City of Elmira will continue to support Catholic Charities Housing Counseling services and the promotion of a First-Time Homebuyer Program since both programs help low income residents overcome the barriers to affordable housing. HOME funds will continue to be utilized to provide \$10,000 deferred loans (grants) to assist eligible first-time homebuyers with down payment and closing costs enabling households to achieve the dream of homeownership. The grants combined with pre- and post-purchase counseling through Catholic Charities has enabled previous homebuyers to be successful. Chemung Canal Trust Company, a local lender and an approved member of the Federal Home Loan Bank's First Home Club, also assist individuals and families save money toward buying their own home by matching \$4 for every \$1 a household saves toward their down payment, up to a maximum match of \$7,500 as long as they commit to a minimum of 10 months of saving.
2. Additionally, a barrier to affordable housing including decent wages for workers that enable them to afford their housing, including the rent/mortgage, utilities, and taxes which are high in general for New York State and the City of Elmira is no exception. A focus on economic development and building a sustainable economy will be a focus of the Comprehensive Master Plan and will require a commitment on the part of City and County officials to help retain and recruit new businesses that create jobs.

3. Supporting and promoting housing organizations such as Near Westside Neighborhood Association (the City's CHDO) and Habitat for Humanity which continue to invest in developing affordable housing to subsidize the cost of rehabilitating houses for low/moderate income homebuyers, especially first-time homebuyers.
4. Another barrier to affordable housing includes the high cost of utilities especially since the age and condition of much of the housing stock makes it not energy efficient. Community Development will continue to incorporate energy improvements in properties that are rehabilitated, connect homeowners with NYSERDA's programs, and support future housing projects that incorporate green design and energy efficiency appliances, etc.

Discussion:

Barriers to affordable housing are frequently addressed at the Chemung County Housing Coalition and Poverty Coalition meetings. The barriers identified within the Consolidated Plan and the Annual Action Plan will not be removed overnight and will require strong collaboration between multiple layers of government to ameliorate the negative effects of public policies and make Elmira and New York State an affordable place to live.

AP-85 Other Actions – 91.220(k)

Introduction:

The City of Elmira Department of Community Development and its community partners have several actions planned for the 2023-2024 Program Year. The focus will be to continue serving and meeting the needs of the underserved, foster and maintain affordable housing, reduce lead-based paint hazards, and reduce the number of impoverished individuals and families. Collaboration with other partner organizations will be important and necessary to have a significant impact.

Actions planned to address obstacles to meeting underserved needs

An underserved need continues to be improving the condition of the City's rental properties especially those owned by absentee landlords. These properties have a blighting impact on neighborhoods, over burden and place a drain on City services (code enforcement, fire protection, and police), and creates a problem for low income families finding quality affordable housing (especially those within 0-30% of Area Medium Income). The City of Elmira will continue to utilize its Rental Registration and Certification process and Vacant Buildings Ordinance to help address the decline of neighborhoods as well as prosecuting the most egregious code cases.

CDBG funds will be used to provide Public Service Programs (**\$158,000**) to target underserved communities. Additionally, funds are targeted towards underserved neighborhoods and areas of the City typically underserved by other public and private resources.

Another underserved need within the City of Elmira continues to be economic development with the City's boundaries and development that is sustainable. Sustainability will be a focus along with encouraging investment in the downtown areas. New York State, the City, Chemung County, Southern Tier Economic Growth (STEG) are working together toward the redevelopment of downtown Elmira.

Actions planned to foster and maintain affordable housing

The City's priority is to foster and maintain affordable housing in a manner that controls density and has a positive impact on the neighborhood. A goal is to improve the existing rental housing stock and addresses concerns regarding absentee landlords. Emphasis will continue to be to make housing developed or rehabbed as energy efficient as feasible and to leverage programs funded by NYSEDA, Empire State Development, and other federal and state programs. Community Development staff will continue to promote its Owner-Occupied Rehab Program and support the First-Time Homebuyer Program which provides down payment and closing cost assistance to new homebuyers. Additionally, the City has launched a Lead Paint program to provide grants to property owner for lead paint reduction and repairs.

Actions planned to reduce lead-based paint hazards

The City of Elmira has utilized funding from the New York State Attorney General's Office to address Lead-based Paint Hazards and increased access to housing without LBP hazards. In 2019, the City of Elmira was awarded \$1.3 Million dollars from US Department of Housing and Urban Development to establish a lead paint hazard reduction program. Since implementing this program, the City has addressed lead paint for 48 units. The City is working closing with the Chemung County Health Department to prioritize units with children under the age of 6 who have high lead blood levels. In January 2023, the city was awarded an additional 1,050,000 in funds to continue the work of this work.

The Department of Community Development will continue to receive referrals for its CDBG-funded owner-occupied housing rehabilitation program from the Chemung County Health Department when a child with an elevated lead level is identified through lead testing. The Department also maintains on staff a certified Lead Risk Assessor who will continue to evaluate homes for LBP hazards utilizing a Lead Safe Housing Requirements Screening Worksheet, in particular in those homes with children or pregnant women present. The City of Elmira and the Chemung County Health Department have a partnership where the Chemung County Health Department conducts risk assessments and lead clearance inspections on an as needed basis for a set fee. Contractors that perform work funded with CDBG and HOME funding must have proof that they have participated in a Lead Safe Work Practices and Lead Renovators training on file with the Department of Community Development

Actions planned to reduce the number of poverty-level families

The Department of Community Development is an active participant in the Chemung County Poverty Reduction Coalition which was first formed in 2013 and is an ever growing consortium of organizations and individuals working together to address the issue of poverty within the City of Elmira and Chemung County. In addition to the City's participation on this coalition, specific actions the City has planned during the upcoming program year include the following:

- Based on available data, housing cost burden is a significant challenge for families living in poverty. Actions planned to address this concern include issuance of a Request for Proposals to affordable housing developers to utilize HOME funding to leverage New York State Low Income Housing Tax Credits to improve the quality, availability, and affordability of rental housing for poverty-level families.
- The City of Elmira continues to support as a CDBG sub-recipient, Catholic Charities of Chemung/Schuylers Housing Counseling services and Homelessness Prevention Program. These programs assist poverty-level families by helping them avoid mortgage foreclosure or connect them with valuable resources/services to help them become self-sufficient.
- There will continue to be an emphasis on economic development to increase the availability of jobs that provide economic opportunities for low income individuals. The City of Elmira has submitted a White Paper to the Southern Tier Regional Economic Development Council and Empire State Development and will pursue funding through the Consolidated Funding Application and Upstate Revitalization Initiative. The City is also on the Steering Committee for

the I-86 Corridor Study that is currently being worked on to spur economic development along the I-86 Corridor between the City of Corning and City of Elmira.

Actions planned to develop institutional structure

The City's Department of Community Development is continuously looking to improve upon processes and develop institutional structure. The following actions are planned for the upcoming Program Year:

1. The Department has a Policies and Procedures manual that is reviewed and updated on at least a semi-annual basis.
2. Review and update the Department's Language Access Plan
3. Staff regularly participate in on-site trainings and webinars hosted by HUD and other state and federal agencies to ensure that the City continues to stay up to date on best practices in community development and the direction HUD is headed. Staff participates in HUD Buffalo's TA Thursdays and will continue to suggest future topics to be covered.

Actions planned to enhance coordination between public and private housing and social service agencies

The City's Department of Community Development has several actions planned to enhance coordination between public and private housing and social service agencies:

1. City staff and the Near Westside Neighborhood Association (the City's designated CHDO) continue to meet at least quarterly to discuss housing needs and projects that the two organizations can work together.
2. Community Development has developed a stronger relationship with Chemung County Habitat for Humanity. Catholic Charities of Chemung/Schuyler also has a housing counselor who serves on Habitat for Humanity's Selection Committee and the three agencies will be coordinating more with the First-Time Homebuyer Program.
3. The Department of Community Development has a staff representative that participates in the Chemung County Housing Coalition convened by Catholic Charities of Chemung/Schuyler as well as the Poverty Reduction Coalition convened by Cornell Cooperative Extension of Chemung County.
4. Community Development has a staff person who is a member of Chemung County Youth Bureau's Advisory Board to understand youth programming within the community.
5. The Director of Community Development participates in monthly Continuum of Care conference calls.

Discussion:

The issues facing the City of Elmira are complex and will only be addressed with assistance and increased coordination between public and private housing and social service agencies. There are also

limited financial and human resources to address the needs of the community and therefore, there will be greater emphasis placed on supporting projects that have the greatest positive impact on the community.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

The following section outlines program specific requirements for both the CDBG and HOME programs. Community Development staff regularly participate in HUD-hosted webinars and trainings to ensure that program requirements are being met including TA Thursdays and Rehab Rap which have been useful in better understanding and applying the requirements of both the CDBG and HOME programs.

The City of Elmira utilizes the CDBG program to generate program income through an owner-occupied rehab loan program administered by the Department of Community Development and the economic development loan program administered by Southern Tier Economic Growth.

Lastly, the City of Elmira anticipates that an estimated 80% of CDBG funding will be used for activities that benefit low to moderate income persons on either an area-wide basis through improvements to public facilities/public improvements or will have a direct impact on low to moderate income persons. The CDBG regulations require that at least 70% of CDBG funds benefit low to moderate income persons and during prior program years, the City of Elmira has far exceeded this percentage.

**HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)**

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The City of Elmira plans on utilizing HOME funds expected to be available during the program year to providing direct assistance and housing counseling services to first-time homebuyers, and an eligible CHDO project. Other forms of investment related to the First-Time Homebuyer Program is funding through private lenders including investment through Chemung Canal's First Home Club. The City intends on leveraging HOME funds with New York State Affordable Housing Corporation (AHC) funds that were awarded to the Near Westside Neighborhood Association and NWNA will be administering the AHC funds. Near Westside Neighborhood Association, as the City's designated CHDO, will utilize set aside funds as well as project proceeds for their "One House At a Time Program."

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

The City of Elmira will be utilizing the recapture guidelines when HOME funds are used for homebuyer activities. Eligible first-time homebuyers who participate in First-Time Homebuyer Program will be eligible to receive up to \$10,000 based on need as a deferred loan (grant) to cover down payment and closing costs. There will be a five-year affordability period and as long as the homebuyer continues to own and occupy the property for the entire five years, the deferred loan will be discharged and the filed mortgage will be discharged. If the homebuyer fails to own and occupy the property during the affordability period, the City will recapture the \$10,000. A mortgage and HOME Program Agreement will be signed by both the homebuyer and the City outlining the recapture terms.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The City and its CHDO (Near Westside Neighborhood Association) will follow the resale guidelines to

ensure the affordability of units acquired and rehabilitated with HOME funds. The affordability period will be determined based upon the total HOME investment and the City will utilize HUD's minimum requirements and there will be a maximum 15 year affordability imposed on properties. The reasonable range of homebuyers according to 24 CFR 92.254 (a) (5)(i)(B) will be between 51-80% of the Area Median Income. Under the "resale" guidelines, the homebuyer will work closely with the City of Elmira and Near Westside Neighborhood Association on the resale of the property to a defined range of low-income buyers and receive the City's final approval. The (Seller) must receive a "fair return" on their investment. "Fair return" is the return of the homebuyer's original investment plus any capital improvements at an actual cost not to exceed the newly assessed value at the time of the sale plus sixty percent (60%) of the remaining professionally appraised increase in value at the time of the sale during the Affordability Period. NWNA shall receive the remaining forty percent (40%) of the newly assessed value upon the sale. The City, as the Participating Jurisdiction will ensure that the housing developed with HOME funds remains affordable to the identified range of low income homebuyers by utilizing deed restrictions which specify the affordability period, defined range of homebuyers, and resale restrictions. Homebuyers also sign a HOME Program Agreement. Resale will only be utilized when eligible homebuyers do not participate in the City's First-Time Homebuyer Program and receive direct financial assistance. Those homebuyers who receive direct financial assistance utilizing HOME will be subject to recapture and a mortgage and HOME Program Agreement will be signed by both the homebuyer and the City outlining the recapture terms as described in the previous question.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

The City does not plan on using 2023-2024 HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds.

5. If applicable to a planned HOME TBRA activity, a description of the preference for persons with special needs or disabilities. (See 24 CFR 92.209(c)(2)(i) and CFR 91.220(l)(2)(vii)).
6. If applicable to a planned HOME TBRA activity, a description of how the preference for a specific category of individuals with disabilities (e.g. persons with HIV/AIDS or chronic mental illness) will narrow the gap in benefits and the preference is needed to narrow the gap in benefits and services received by such persons. (See 24 CFR 92.209(c)(2)(ii) and 91.220(l)(2)(vii)).
7. If applicable, a description of any preference or limitation for rental housing projects. (See 24 CFR 92.253(d)(3) and CFR 91.220(l)(2)(vii)). Note: Preferences cannot be administered in a manner that limits the opportunities of persons on any basis prohibited by the laws listed under 24 CFR 5.105(a).

The City of Elmira is committed to utilizing available CDBG and HOME funds to benefit the greatest number of low to moderate income residents. During the upcoming program year, the City of Elmira will be focusing HOME investment on the First-Time Homebuyer Program and for eligible CHDO projects to further increase the quality of the City's affordable housing. Homebuyers and homeowners assisted with HOME funds will be made aware of the affordability requirements as well as recapture and resale provisions in program agreements.

A competitive Notices of Funding Application (NOFA) is made available on an annual basis for Community Based Organizations to apply for CDBG and HOME funds. The City posts a notice on the City website and in the local newspaper (the Star-Gazette) as well as e-mailing past grantees directly of the upcoming NOFA. The notice is typically released in January or February of each year, which gives the City staff enough time to review applications internally and discuss with the Citizen Advisory Committee. The committee is given the opportunity to provide input on all applications received. Final funding approval is at the discretion of the Elmira City Council.

Citizen Participation Comments

Citizen Participation Process

- The Elmira City Council authorized the submission of the Annual Action Plan to HUD at a public meeting held on May 8th at 5:30PM. No written or oral comments were received at that meeting.
- A Public Hearing was held on March 27, 2023 at 5:30PM in order to receive comments on the drafting of the Annual Action Plan; no written or oral comments were received at this public meeting.
- Additionally, a public comment period was observed from April 4, 2023- May 4, 2023. However, no written or oral comment were received by the department.
- Written notice of the public comment period and all public hearings were published on the City of Elmira's webpage and published in the Star Gazette.
- Draft of the Annual Action Plan was published on the City of Elmira's website and a copy is held with the Elmira City Clerk.

Additionally, the following outreach was conducted to gain community input:

- A meeting was held with the Citizen Advisory Committee on April 12, 2023 via zoom to gain community input. The Advisory Committee discussed the proposed projects and applications which were received by the department.
- The City advertised the public of the availability of funds for public service applications on January 17th by posting applications on the City Website, emailing local community-based organizations about the availability of funds, and posting a notice in the Star-Gazette. The Department consulted with the Citizen Advisory Committee to select the applications which were funded in the 2022-2023 program year.
- Internet, social media outreach was also conducted. The main comments received were the need to repair roads and infrastructure, crime and security, and homeless needs should be addressed.

Comments

Feedback from the advisory committee and community was considered in developing the plan. The main area of concern was homelessness and the rising cost of housing in the city of Elmira. The other areas viewed as a priority was facade and neighborhood revitalization. A need for youth programs was also seen as a major priority. Additionally, crime and security were discussed as a community challenges.

Per this discussion, youth programs, after-school public services were deemed very important as well as supporting homeless prevention services and programs. Home-repair programs and first-time homebuyers are also seen as much needed to help address the rising costs of housing.

NOTICE OF PUBLIC HEARING

The City of Elmira is seeking written and oral comments from citizens and interested agencies at a public hearing to be held on Monday, March 27, 2023 at 9:30am. The public hearing will be held at City Hall, 277 E. Church Street, 3rd floor, NY. City Council Chambers (2nd floor) which is a handicapped accessible location.

The City of Elmira Department of Community Development is seeking for input as it prepares its 2023-2024 Annual Action Plan for the use of Federal Community Development Block Grant (CDBG) and HOME Investment Partnership Program funds it receives from the U.S. Department of Housing and Urban Development. The Annual Action Plan sets forth program goals, funding priorities, specific objectives, annual goals, and benchmarks for measuring progress. The City of Elmira is not aware of the time of its annual allocation; however, the City receives \$1,709,828 in CDBG funds and \$288,351 in HOME funds for the 2022 Program Year. The purpose of the CDBG program is to promote sound community development, revitalize distressed urban areas, provide housing rehabilitation, and stimulate economic growth.

The City of Elmira is committed to creating equal housing opportunities and prohibiting discrimination for all persons in housing on the basis of race, color, religion, sex, national origin, disability, and familial status under the Federal Fair Housing Act. Hearing impaired persons can reach the Community Development office through New York Relay Center at 1-800-552-1234. REQUEST FOR FINANCIAL ASSISTANCE THROUGH THE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAMS AND THE HOME INVESTMENT PARTNERSHIPS PROGRAM

The City of Elmira will be receiving its annual allotment for Community Development Block Grant (CDBG) funds for the 2023-2024 Program Year (July 1, 2023 - June 30, 2024) as well as its allocation of federal HOME funds. Since Congress has not completed the appropriations process for HUD's FY 2023 allocations, at this time HUD cannot provide estimated FY 2023 allocation amounts to assist in use for planning purposes in developing annual action plans. The City must begin developing its 2023-2024 Annual Action Plan and prioritizing the use of federal CDBG and HOME funds. The City receives \$1,166,928 in CDBG funds and \$285,251 in HOME funds for the 2023 Program Year. HUD requires that no more than 15% of CDBG funds be spent on public service activities. The City of Elmira is seeking proposals from organizations for projects that promote sound community development, stabilize cities, remove urban decay, promote housing rehabilitation, and to stimulate economic growth in an effort to turn around distressed cities.

All projects must meet at a minimum, one of the following National statutory objectives of the CDBG Program: 1. Benefit low to moderate income persons or persons residing in a household whose income does not exceed 80% of the median family income for the area; 2. Aid in the prevention or elimination of slum and blight; 3. Meet an urgent need that poses a serious and immediate threat to the health and welfare of the community.

ELIGIBLE APPLICANTS:
Non-profit agencies and faith-based organizations are eligible to submit proposals for CDBG funding for projects that meet one of the National Objectives and can demonstrate the following criteria:

- 1) Consistency with the City's Consolidated Plan and established priorities;
- 2) Demonstrated need for Community Development funding;
- 3) Clearly defined and measurable accomplishments;
- 4) Management capacity of the applicant;
- 5) Leveraging of other non-CDBG funds and a carefully developed budget;
- 6) Demonstrated cooperation and collaboration with other agencies and programs;
- 7) Record of past performance;
- 8) Projects must be ready to proceed.

Groups and organizations interested in obtaining application and instructions for Community Development Block Grant funding or Community Development Housing Organization (CHHO) funding can contact the Community Development Department at City Hall, 317 East Church Street, Elmira, New York, 14801, at (607) 737-5622 or visit the City's website at www.cityofelmira.net for a link to the application and instructions on the Community Development webpage. The application deadline is Wednesday, March 1, 2023 at 4:00 p.m.

The City of Elmira encourages applicants, especially groups organized by and/or serving low income residents to contact the Department of Community Development at (607) 737-5621 if they have any questions about the application. The City of Elmira encourages applicants, especially groups organized by and/or serving low income residents to contact the Department of Community Development at (607) 737-5622 if they have any questions about the application. A technical assistance workshop is scheduled for Tuesday, January 24, 2023 at the 3rd floor of Elmira City Hall, 317 E. Church Street, Elmira, NY 14801.

Community Development Housing Organizations (CHHO) receive a grant (17%) of the HOME funds which is allocated to Community Development Block Grant Organizations (CHDO's) which serve the residents of the City of Elmira. For the 2022-2023 Program Year, the City received a HOME allocation of \$285,251. City of Elmira is seeking to invite eligible CHDO's to submit applications for this

NOTICE OF PUBLIC COMMENT PERIOD FOR THE CITY OF BIRMINGHAM PROPOSED 2023 ANNUAL ACTION PLAN FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT AND HOME INVESTMENT PARTNERSHIP PROGRAMS

The City of Birmingham Department of Community Development is seeking public comment on its draft 2023 Annual Action Plan for the use of federal Community Development Block Grant (CDBG) and HOME Investment Partnership Program funds it receives from the U.S. Department of Housing and Urban Development (HUD). The purpose of the CDBG program is to promote self-sufficient development, utilize the less affluent urban areas, promote housing rehabilitation and stimulate economic growth. The HOME Program is to assist communities and nonprofit organizations in funding activities related to building, buying, rehabilitating, or providing affordable housing for low- and moderate-income households.

The City of Birmingham has been informed that the Community Development Block Grant (CDBG) program for the 2023-2024 program year and an additional amount of \$50,000 in program funds are available for a total of \$1,175,000 to be used for housing. Additionally, the city will receive \$25,000 in HOME Investment Partnership funds for the 2023-2024 program year. Therefore, a draft 2023 Annual Action Plan and Budget was developed with a similar focus as presented. The proposed projects to be funded with CDBG and HOME funds can be found on the Community Development webpage at <http://www.cityofbirmingham.org>.

The City of Birmingham is committed to prohibiting discrimination because of race, color, religion, sex, handicap, family status, or marital status. Hearing impaired persons can reach the office through New York Relay Center at 1-800-877-2267.

WHEREAS, the City of Elmira has also been advised that the City will be receiving \$251,946.00 in HOME Investment Partnership funds; and

WHEREAS, the City published a notice inviting eligible groups and organizations to submit applications for said funds; and

WHEREAS, Community Development staff has prepared the attached recommended budget for CDBG and HOME funding; and

WHEREAS, in accordance with the City of Elmira's Citizen Participation Plan, a public hearing was held on March 27, 2023 seeking input on the 2023-2024 Annual Action Plan; and

WHEREAS, the Department of Community Development also sought input by conducting a neighborhood meeting and from a Citizen Advisory Committee; and

WHEREAS, the availability of a draft executive summary of the plan, a recommended budget, and a listing of proposed projects to be funded was advertised in the Star Gazette and a 30-day public comment period was observed with written comments being accepted until Thursday, May 4th, 2023; and

WHEREAS, the Consolidated Plan and Annual Action Plan must be submitted to the U.S. Department of Housing and Urban Development no later than August 16, 2023.

NOW, THEREFORE, BE IT RESOLVED, that the 2023-2024 Annual Action Plan is hereby approved for submission to the U.S. Department of Housing and Urban Development; and

BE IT FURTHER RESOLVED, that the Department of Community Development is hereby authorized to submit the Annual Action Plan to the U.S. Department of Housing and Urban Development no later than August 16, 2023.

ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0342-0043), Washington, DC 20503.

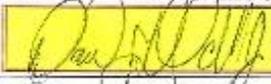

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directive.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4726-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Offense and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1506 and 7324-7325) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11980; (d) evaluation of flood hazards in floodplains in accordance with EO 11989; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4901 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.
19. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. 7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

3. Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.
4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.
5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.
6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4733) relating to prescribed standards of merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

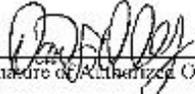

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701a) and implementing regulations at 24 CFR Part 75.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2023 - 2024 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.
