

# Elmira Gateway Feasibility Study

*Come  
Join Us!*

## **Public Design Workshop**

**Wednesday,  
October 29, 2025  
6-7:30pm**

**Steele Memorial Library  
Large Conference Room**

*101 E Church St, Elmira, NY 14901*

### **Help Shape the Future of Elmira's Gateways!**

The Elmira Gateway Feasibility Study is reimagining East Church Street and East Water Street — the main entryways from I-86 into the city. The study looks at how to create a safer, more attractive, and welcoming gateway that works for everyone — drivers, cyclists, and pedestrians alike.

### **Join our interactive Design Workshop!**

- Explore maps, visuals, and interactive tools
- Share your ideas and set priorities
- Help design a gateway that benefits the whole community
